

**IF**

if love were rational  
i would never speak to you again ...

*"i don't want u to change,  
i just want u to make the effort"  
[to change]*

what!  
for fuck's sake ..

can u not see the idiotic 'logic'  
in ur demented statement?  
the word 'exasperating'  
was made for u,  
add it to ur lexicon.

if elegance, style  
and beauty were necessary  
to ignite love  
then it would be a very  
long and cold winter.

if love were dependent on  
kindness and consideration  
ur single status would be permanent!

if love required reciprocation  
u would be invisible in a crowd.

if dependability were essential for love  
u would be feeding through a proboscis.

i could go on but my exasperation  
subsides and  
my heart softens  
at the mere thought of you;

i remain struck,  
mesmerised,  
completely enthralled.

i want only

you  
and i thank the stars and sky  
for delivering you  
to me  
as you are [u maniac].
