

## Light

international / poetry / post

belief,  
a possibility  
who knows when?

God knows (perhaps)  
a breath  
a day  
a life away

an eternal round  
yet in a blink  
all that ever was  
that will ever be  
continues  
to BE ..Love

disconnected  
i/we seek asylum  
in its warm embrace  
in that Eternal moment  
we are (all) exonerated  
.. liberated

beams of light  
Be-coming ..
