

Play me

international / poetry / post

the door is open
enter in
cross the threshold,
why do you hesitate?

i am experienced --
versed
in the arts,
strum my soul
play my keys
use this body to produce
sweet music,
pen your lyric verse

move with me
dance with me
you have captured
my soul
now take me whole
why do you hesitate?

it is my pleasure
to surrender to
you/r lyric advances
it is my place
to reciprocate,
take me whole

body, mind and soul

do not hesitate,
make your move
enter in and
make me whole
