### (for You)

travel light  
my lovelies,  
ride easy --  
this universe  
was made for joy,  
its harmony  
issues from Love.

unload your useless  
baggage,  
you needn't  
carry culture's  
garbage  
any longer,  
its lies are facile,  
its ways perverse,  
contradictory,  
hypocritical,  
the poison of all Reason.

We are  
made in the (perfect)  
image of 'God'  
we are told  
(the text clearly states)  
but filthy priests  
and lawyers would view  
certain features as unclean,  
immodest,  
to be criminalised --  
Gods assailed by unreason,  
irrationality, hypocrisy  
and fear,

would we succumb  
to these perversions?

if we are indeed  
the progeny of perfection  
then who would dare  
pollute our inheritance

or vandalise our Being?

representatives of darkness  
-- priests and lawyers --  
would smear a rose with  
excrement;  
jettison their  
destructive convolutions  
or would we labour  
under unreason  
and suffer the disease  
that destroyed  
Amerika?

morality demands that  
we hold known murderers  
accountable  
that innocence is protected  
against all predators,  
corruptors of children,  
marauders, thieves  
and killers.

*their*  
speeches are farcical,  
transparent  
LIES,  
they belch their foul  
semantics onto tissue,  
which cannot withstand  
the slightest inquiring breeze.

*their*  
murdering black operations  
today completely exposed  
-- nano-thermite --  
indicts them all  
and makes a mockery  
of every murdering LIE  
that followed.

needless wars,  
needless deaths,  
countless innocents violated,  
mutilated and destroyed;  
the sanctity of human life  
viewed with contempt,  
innocence regarded as something  
to exploit!

these vermin continue to feed

on innocent blood and wallow  
in the filth of their abominations;  
surely it is time  
to spit the bit,  
shake the reins,  
Liberate yourself,

free beings LOVE spontaneously  
and spread its healing power.

wolves as shepherds  
preying on flocks  
offer no stability, safety  
or peace of mind  
(timid frightened sheep, we are not.)

fortunate are we  
to be human,  
each being no less  
than another;  
those that would usurp  
or elevate themselves  
above the rest  
do so with LIES,  
deceptions,  
sordid machinations,  
and intimidation,  
there are no other means.

This universe is not a burden  
(they lied from the start)  
it was made for Joy,  
LOVE,  
not the pain, perversions, violence  
and fear *they*  
would unsuccessfully  
attempt to normalise.
