is my soul stolen,
mind mesmerised
or do i eagerly surrender
my spirit
when i see you?

how dare u look like that,
perfect visage and body,
the envy of ancient greece
and asia

pure outrage,
as this world
admits nothing perfect
imperfection reigns
in an imperfect world,
what secret stealth brought u here
to capture me,
who or what sent u?

i have inquired of the Gods
u are unknown to the pantheon
even the oracle is mute
regarding ur identity and origination;

have ur thighs, eyes
breasts and cunt
bewitched all heaven
and earth?

only hell's demons
are able to sculpt
a form such as urs,
one glance and entire armies
become subject

how impudent,
fortunately u are
only a product of my
imagination,
a convenience
that i use to superimpose

onto the imperfect girls
of this world
