### (for Blake and Rumi)

poets attempt,  
thru inadequate means,  
to capture or describe  
the indescribable,  
nevertheless, it's our efforts  
that make us  
poets

i try in vain to capture the totality  
of meaning or infinity  
in a word and fail  
but  
i never stop trying

\*

there, did u see it?  
did u catch the meaning?  
did it touch ur soul?  
could u appreciate the  
subtlety and deft delivery?

No!

well, it's the best i could do  
in the circumstances --  
infinity is best described  
by silence  
the poetry of peace  
and stillness  
has already been written  
without words, medium  
or stylus of any kind
