

Committing Life

international / poetry / post

that's right, if u don't leave
i'm gonna commit life!

since partnering u
my life has slowly
disappeared into a tube
of ur making
constrained
by the incessant
demands that issue
from ur cunt

who would have thought
a cunt would come with
countless liabilities,
legal baggage
and innumerable social
obligations --
i've lost count
(cunt with an 'o')

it was a slow death
my freedom ebbing,
haemorrhaging slowly away
and ur cunt
growing hooks

and to think how delightful
that fresh young oyster
once was

now it's obvious
that axe-etched flesh
mangle of tissue
was created by
the law courts,
banks, insurance companies
church and every other institution
that makes demands
on a man's pocket
and freedom

Eve didn't tempt Adam
with an apple,
how fuckin' naive,
she fathomed that her gash
would accommodate
Adam's protuberance
and after that first flight
of the phoenix
Eve asked him if he
wanted a second stab
and that was that,
man's fate was sealed
by the orgasm that a twat
provided

who wrote the Old Testament?
the devil is not a snake
she's a cunt,
pew!

i've had enough
u can take that tunnel
of disaster and go jump

i'm outa here
-- let the dead bury the dead --
i'm committing life
