international / poetry / post

they implore and plead  
construct a site  
for us  
without fuss  
our hearts desire  
etched on minds  
that aspire to share  
a lyric verse  
and reverie

another pipe my love  
you choose  
opium dreams  
rather than  
warm flesh  
soft and wet

but i do recall  
you said  
an embrace complete  
is chasing a dream  
but each and every draw  
of the pipe  
presents  
another complete  
euphoric night
