*That is not an Aorta (use zoom)*

i look at u  
u look  
at me  
do u see  
what i see?

there is nothing  
there to see!  
but do u see  
what i see?

i turn,  
u look at me  
turning,  
do u not see?

u look  
but do not see  
(me turning)

what is there to see?

u lift ur head  
arch ur back  
and reveal  
ur naked crotch

i look  
at ur eyes and see,  
do u see  
what i see?

u move ur naked  
thighs closer  
i look past ur shoulder,  
do u see  
what i see?

u see  
that i do not see  
what u want  
me to see  
u push me down  
straddle my chest  
and push ur cunt  
in my face  
but u do not see  
what i see
