## **Spark**

u appear before me naked as a million before u and think it an offering, a surrendering yet bodies are no secret to me or anyone else

u remain hidden behind the cloak of ur nakedness an effective cloak indeed

as u anticipated
my nature reacts
to ur nature
but do not be intimidated
it is You i seek,
the animating principle
of ur body
i seek ur life spark,
ur innermost self
ur very soul

the core of ur being which may have remained buried, hidden from u since birth, some people live their entire lives without having a clue who they really are

my eyes and mind have captured unimaginable beauty in the midst of horror and abuse, violence, loss and brutality

i have never relinquished

the nobility of soul
the continuity of
spirit -i have never traded
the real for the
apparent
or perversity for the genuine,
the horror for beauty
or truth for a lie

it is the preciousness
i seek
the uniqueness of (ur)
Being
but u offer ur mind, body,
emotions, fears, loves,
hates, irrationality and a million
distractions
instead

so i offer my essential
nature to u
in the hope that
it is seen for what it is
and that the door
to the chamber
that hides ur soul
opens
and we merge
as one becoming
