## **Strange Love**

## (for snow leopard)

could i return
your (powerful) Love?

sky and sea exchange places horizons dissolve into infinity

you Love like a man but i am man - this love is strange unsettling but addictive

Pan dances and pipes (his) radical sensuality

satyrs lose themselves swirling in wild abandon

is your Love Pan's revenge for lapses into the mundane, for occasionally deferring to cultural conformity?

with your light Lucifer avenge

advance refrain insatiate

seas condense into droplets of sweat on our bellies oceans form tiny navel lakes

what are Gods and conventions but men's creation locked in sexual embrace we expand and consume entire worlds ...

(trans)form/ing

leave convention to undertakers, conservatives

moaning swirling

unite the irreconcilable; what relevance gender behaviours?

Love me ...

let it go accept what i have to give do not resist

let me Love you ...
