

## Fools' Suicide

keep ur empty words to urself  
i am listening to the ageless  
voice of the earth weaving its symphonies  
for Eternity, the bliss of which harmony  
ur words/minds fail to capture and understand

how do YOU expect ur limitations (finite minds)  
to capture and understand self-qualified infinity,  
or the continuity of existence?

how tragic you are given the All which you shrink into  
wasted perversity, violence and destruction  
u are beyond salvation, creating false human gods  
to comfort u in ur screaming desperation;  
you imagine ur dreams and myths will save u from reality,  
but u miss the obvious,  
that no man made god is able to save anything,  
the origin of all ur pathetic feeble gods  
are in texts written by men  
but u are forced to cling to the idiotic lies and myths  
as u have nothing else to cling to

look at you, alienated, disconnected from  
the splendours of Life born/e of Love  
which dances in ineffable bliss before u always,  
a free gift that u you trash daily with your violence  
and psychotic ways

today u elevate the sick and flawed among you  
to lead you to ruin and oblivion, which reality the psychopaths  
ensure is never presented to ur faces, the media drip feed  
is shaped according to the designs of sickos that own it, fools!

how transparent it all is given clear eyes and an aware mind to SEE,  
which senses are dimmed by ur apathy and addictions

i watch u imploding in ur desperate solitude and loneliness,  
designed by corporate entities to enslave, tame and exploit slaves  
in order to maintain their sick designs  
that serve only them -- You serve them, fools!

You are pitiless waste products,

healthy humanity disowns you as u think only  
of 'me' tho humanity is essentially WE, without which factor  
it cannot survive

play with ur digital, alienating and enslaving toys designed and  
shaped  
by the sickest among you to exploit and disempower tho you are  
aware  
but u are so disconnected from the real u cling to ur slavery and  
inevitable ruin

the earth has no need of ur perversities and cowardice, neither do  
the few healthy  
among ur plagued populations, the brave and free that fought to  
maintain  
their independence and connection to the All, the REAL  
while you pathetic slobs attempt to compensate for ur loss with  
baubles  
and transitory titillations which burn and fry u until an autumn  
leaf seems robust and full of life in comparison

i wish you well knowing it is unattainable until  
you fight and remove the imposed poisons within  
and regain your heritage/sovereignty, self-respect and  
Real freedom, which no-one could thereafter deprive you of

We, ALL, are a physically and emotionally social species, the many  
working as ONE  
for the good of ALL;  
why do you remain divided, defeated, miserable, enslaved and  
tortured  
by the few nefarious, sick and treacherous among you?

you are free to choose Life/freedom/unity over slavery, ruination  
and death

however, it is clear you have already made ur choice -- YOU have  
forsaken Yourselves!
