**(for you)**

your reticence is unwarranted;  
a promise,  
i would only kiss u on the lips  
and caress your form  
with my fingertips.

only man  
naught to fear  
especially  
by woman true,  
one with depth  
and yearning (soul)  
such as you.

u see what u've done?  
i haven't rhymed in years;

in Love we Always overcome  
we stand Victorious  
FREE  
of the inculcated loathing  
of love, joy  
and harmony.

what sheer insanity they preach,  
they would try to normalise  
murder, mayhem, War  
and fear  
yet  
they have no answer for ..  
[in] LOVE we overcome All their  
toxic filth.

A gift to all  
a resource free  
most powerful  
infinite  
L-O-V-E  
you  
me
